

Smart Navigation with VUE CN

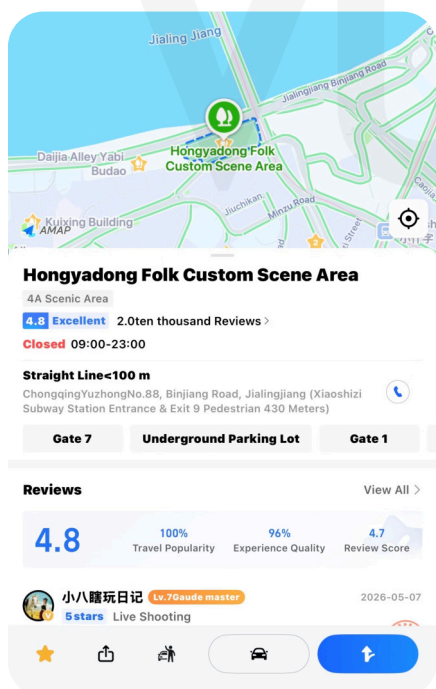

To save you from typing Chinese characters, we have embedded direct location links into our city guides.

Evening: The Golden Vision
Reach [Daijia Alley Trails](#) (戴家巷崖壁步道) and [Hongya Cave](#) (洪崖洞) at dusk to witness the shimmering golden miracle as the stilted buildings ignite.

1. Tap the Name: Click on any highlight and underlined attraction name (e.g., **Hongya Cave**) within this PDF.

2. Auto-Redirect: It will instantly open the exact coordinate page on **Amap**. If not, just Tap the Blue Bar to open the link in **Amap**

3. Save & Go: The location page will turn to your set language. You can save the location for your travel plan and navigation.
